1. ~~_____~~ (Comment) _____
under the control of the State Secretariat for State Security. While on duty,
the janitors wear uniforms of the transportation police.¹
2. In late November, it was learned that all employees of RBD Berlin who have been
in Western PW captivity will, allegedly, be released from their present
positions. Two employees of the train dispatch office of Railroad Subdistrict
Office No 1 in Berlin have already been released and two other employees will 1
be released soon. The measure is connected with increased security regulations.
It was also learned that the German personnel operating the boiler cars of the
Soviet "Blue Express" and the hospital trains stationed in Beelitz were
replaced by Soviet personnel. This step is also connected with increased Soviet
security measures.²
3. On 12 November 1954, two former members of a German locomotive brigade were
delegated to Cottbus for a training course to be attended by former
locomotive brigades.³
4. In late November, it was learned that tank shuttle train _____ consisting of
15 RRYm-type flat cars including cars _____
_____ was parked at Rosenhagen.⁴
5. On 29 November 1954, 25 type-52 locomotives were parked in a preserved state
at Ruednitz railroad station. The smokestacks of the locomotives were covered
with lids. Five cabooses were also seen at Ruednitz; one of the cabooses was
occupied by personnel. The siding on which the locomotives were parked was
lighted at night. It was learned that a brigade of 11 men was kept in a state
of permanent readiness at the railroad station.⁵
1. _____ Comment. These steps were taken in connection with increased security
measures designed to prevent espionage activities.
2. _____ Comment. Soviet passenger trains operating through Poland are handled
by Soviet locomotive column No. 1. The main personnel of these trains are
German railroadmen. Beelitz-Beuthen on the Berlin - Beuthen line is
the Soviet headquarters in the area. A total of 12 railroad _____ are
